

INTERVIEW ASSESSMENT REPORT

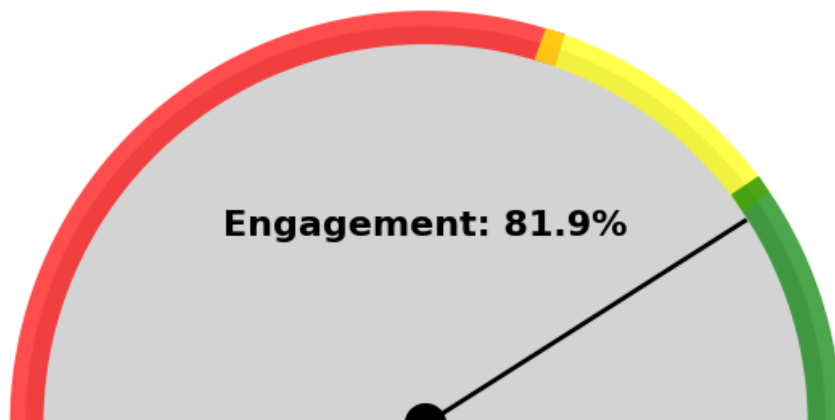

Candidate Profile

Name: Arjun Malhotra
Position: Machine Learning Engineer
Date: 20 Apr 2025
Session ID: 545d488b

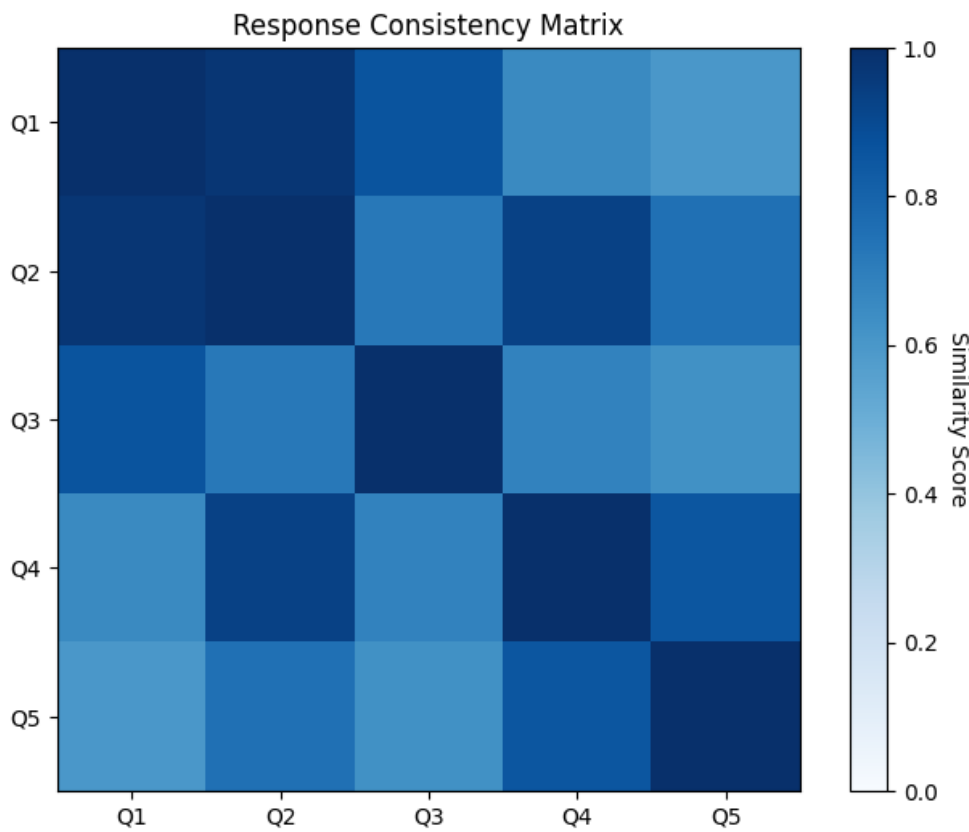

Performance Metrics

Engagement Analysis

Response Consistency

Technical Assessment

Algorithm Knowledge:	5/5
Data Structures:	5/5
System Design:	4/5
Code Quality:	5/5
Problem Solving:	5/5
Domain Knowledge:	5/5

Recommendations

Final Recommendation: Strongly Recommend

Strengths:

- Clear communication

- Innovative thinking
- Excellent problem-solving approach

Areas for Improvement:

- May benefit from more experience with large-scale systems
- Consider strengthening knowledge of cloud technologies
